IN THE HIGH COURT OF JUDICATURE AT PATNA
Cr.Misc. No.9581 of 2008
SHANTI DEVI & ANR
Versus
STATE OF BIHAR

2/ 06.05.2008 Heard.

The application is such that it does not give confidence to the Court to grant anticipatory bail to the petitioner. The marriage is accepted and then it is alleged that Akhil Bhartiya Nai Sangh freed the son of the petitioners from the marriage entitling him to remarry and accordingly, he has remarried. It seems that the petitioners are not respecters of law. As a result, it is difficult to accept that the allegations made in the complaint are not correct. The application fails and the same is rejected.
